## Guidelines for the London and District Ten Pin Bowling Association's Annual Scholarship

Purpose: To provide one (1) or more scholarships annually to one (1) or more sanctioned youth bowler(s) in the London and District Ten Pin Bowling Association. The number of scholarships awarded yearly is to be left to the discretion of the scholarship committee.

Scholarship Committee: The scholarship committee will be appointed annually by the president of the London and District Ten Pin Bowling Association (L.D.T.P.B.A.). The committee will consist of a chairperson and two committee members. To be appointed to this committee the directors must not have a youth bowler enrolled in the local Youth program of the London and District Ten Pin Bowling Association, and/or be a program director or coach. This is to ensure that there is no conflict of interest.

Funds: A separate account will be maintained and used only for scholarship money. Each year the Scholarship Committee will decide on the number and the value of the scholarship(s). All monies approved by the board of directors for the annual scholarship will be deposited into this account by the end of the fiscal year.

Any and all interest gained on the money in this account will remain in this account and are not payable to the individuals receiving the scholarships. Unused monies are to remain in this account. Any interest and unused monies will be used in years that funds may not be available from the association and/or to top up a particular year's scholarship(s) award.

Any monies that may come from outside sources and that the donor asks this association to provide for in our scholarship fund to any of our sanctioned bowlers will be accepted. Any and all interest that is gained on this money will remain in this account to be used as described above. No monies will be paid out of this account for administrative fees. All monies will be used to provide scholarships only.

Policy for Nominating Bowlers for this Scholarship: To be eligible to be considered for this scholarship the following criteria must apply:

1. The bowler must be a fully paid, sanctioned member in good standing of the L.D.T.P.B.A. Youth program for the year of nomination.
2. The bowler nominated must have demonstrated a willingness to help and/or provide leadership to other bowlers and/or coaches.
3. The bowler nominated must demonstrate good sportsmanship: i.e., - not being abusive to the bowling centre's equipment; as gracious in defeat as in winning, etc.
4. Individual traits/characteristics that distinguish this bowler as an asset to the program in that house.
5. Have an interest in further education at the time of nomination.
6. Both the coach that is nominating the bowler and the bowler must sign the application.
7. The bowler must submit a few sentences explaining in their own words why they feel that they should be considered for the scholarship. These comments will be considered by the committee as part of their evaluation of the bowler's credentials for being awarded a scholarship.

#### Other Areas for Consideration for Nominating:

1. Average will not be a determining factor.
2. Grades will not be a determining factor.
3. Need will not be a determining factor.
4. Bowlers do not have to be a sanctioned member at the time that the scholarship funds are used. The bowler must not be under suspension from CTF at the time that the funds are drawn. If the bowler is under suspension at the time that the funds are requested, the funds will be held in trust until such time as the suspension is lifted and/or the bowler's eligibility deadline is reached.
5. Only one scholarship per bowler per lifetime from this Association will be allowed.
6. The money will remain in the scholarship fund until the bowler utilizes the fund and/or reaches the end of the eligibility limit. Once the bowler reaches the eligibility limit the unused funds will remain in the scholarship account and be used as described above.
7. Age of the bowler at the time of nomination and awarding of the scholarship will not be a determining factor.
8. The L.D.T.P.B.A. reserves the right to amend the guidelines for awarding a scholarship upon annual review. The conditions that the bowler was awarded a scholarship will not change.
9. The L.D.T.P.B.A. will reserve the option of continuing this scholarship program. It can be canceled at anytime in the future and/or restarted again by the normal Board of Directors' voting procedure. Once a scholarship has been awarded it will not be rescinded, as the funds are to be placed in a separate account for this purpose only. If in the future the Board of Directors decides that the scholarship program will not be continued, the majority of the monies that are in our scholarship fund are to be awarded in one or more final scholarship(s), and the balance that is not used is to be transferred to the Association's general account. The amount to be transferred will be a very minimal amount, as the intent of this fund is to be awarding of scholarships, not to be a profit making venture for this Association. The above noted minimal amounts are only to be sufficient funds as is required to close the account and cover such expenses, but not limited to, the cost of service charges that are required to process cheques, etc.
10. It is the bowler's sole responsibility to keep the L.D.T.P.B.A. informed of their current address and phone number. It is also the bowler's sole responsibility to provide proof of date of graduation from high school, etc. to the L.D.T.P.B.A. in order to ensure proper administration of funds.
