BUFFA INC.'s AQUISITION OF BOWLING SALES

The process started prior to Jack Fine's passing back in 2014 - he was then the President of Bowling Sales of Canada. Frank Buffa, President Buffa Inc. and CEO, Mark Buffa, finalized the details in August 2015 when the news was leaked to the bowling community.

Buffa Inc.'s purchase of Maurice Boyer Pro Shop back in 2012 and now the purchase of Bowling Sales takes Buffa Distribution to a whole new level of bowling in Canada.

When talking with Mark Buffa we could hear the excitement surrounding the adventure. Buffa has acquired all the 5-pin accounts previously run by Bowling Sales. When asked about the 5-pin sport Mark was quick to point out that they have hired 5-pin master technical and parts advisor Victor Goncalves. Other key personnel taking on new roles with Buffa Inc. will be Head Mechanic Brian Burrows and former Vice President of Operations for Bowling Sales, Dave Perovich.

Mark knows there will be learning curves, and challenges. His sales staff will be traveling to meet new accounts in Nova Scotia, Prince Edward Island, and others on the east coast as well as accounts in British Columbia and the western provinces. Many of the 10-pin accounts were shared by both companies, and he feels there is a huge plus for the Canadian consumers regarding stock availability by having two geographical locations, Montreal and Toronto / Mississauga.

Buffa's short term concern / challenge include software integration with Bowling Sales' inventory, since the entire warehouse at Buffa Distribution is run on a Bar Code System, (which provides no stock shortages). Another short term challenge, but Mark was quick to point out it will be a huge plus, is incorporating E-Commerce (On Line Ordering). Bowling Sales has been running online ordering for a while and Buffa Inc. will be incorporating the same in the near future.

The Buffa name has long been respected and appreciated within Canadian bowling circles and world-wide. There will be a few challenges and growing pains, but the Buffa staff are experienced and highly qualified in all areas of bowling.

We wish the Buffa family and staff continued success and congratulations.

Leigha Carnivale - Featured in Local Newspaper

One of our local bowlers, **Leigha Carnivale**, was featured in a story in one of our local area newspapers. It's always good to have our sport recognized in the media. It is a well-written article, and was published just before Leigha left to bowl for Team Canada in the Tournament of Americas. The article has been reproduced here. If you want to go to the source, go to:

<http://www.winnipegfreepress.com/our-communities/column/Throwing-strikes-wherever-she-goes-318889131.html>

It all started for Leigha Carnevale when she was nine years old.

"In elementary school I had a friend who had grandparents who bowled. I went with them one night. After that my friend's parents spoke to my parents and I've been in a league ever since," she recalls.

Leigha Carnevale, 20, was a member of Team Canada at the PABCON youth championships in Panama. Leigha is now 20 years old and a member of the Canadian Tenpin Federation's 2015 youth Team Canada. "Half of the members of the team were from Manitoba —**Mitch Hupe, Sean Coutts, Stephanie Adams** and myself. One of our coaches, **Mike Boroskae**, was from Manitoba as well." The team recently returned from a very successful trip to Panama at the Pan-American Bowling Confederation (PABCON) Youth Championships.

"I finished fifth in singles, we won a silver in doubles, finished fourth in trios and won bronze in team. We also broke three Canadian Tenpin Federation records. We had a wonderful trip."

Leigha and her family hail from the Garden City area in Winnipeg. Mom Jacquie, Dad Frank, and older sister Tatiana have all been very supportive of Leigha's bowling career.

"My parents are wonderful; they have done a lot for me. I would also like to thank my coach, Mike Boroskae. He is the one who got me to where I am. Also my friend Lynne Gauthier - she has helped me a lot with my mental game."

Leigha bowls out of Chateau Lanes and puts in a lot of time on the alley.

"I bowl in two leagues right now, next year I will be bowling in three. I also practise twice a week with my coach. In total right now I bowl four nights a week; come Fall it will be five times a week."

There is no question Leigha loves the sport. "I am going to bowl as long as possible, until I can't walk," she says.

Whether young or old, Leigha offers this to help with your bowling game;

"Try to have fun. It can get frustrating and difficult, but stick with it. Do not give up; it's really worth it if you put time and dedication into it."

Hamilton News Submitted by Jim Margueratt

The bowling off-season is winding down so here are a few questions to be answered in Hamilton in the upcoming season. Will **Art Oliver Jr.** add to his Hamilton record 21 perfect games, including a record five last season? Will the CTF Bowler of the Year five straight times in the 1990s, return to the lanes now that he has taken over the Burlington Bowl Pro Shop? Who is he? Look at the trivia section. Will there be an increase from the 31 sanctioned adult leagues last season? Last season **Dan O'Brien** rolled a 300 in his third game of the season. Will someone roll a 300 in their first or second game of the season? Art Oliver Jr. rolled his fifth 300 of the season in his second-last game of the season. Will someone finish the season with a 300 in his last game? These and many other questions will be answered in the upcoming season.

In re-capping the 2014–2015 season, Art Oliver Jr.'s 234 average missed **Lionel Lewis Jr.** and his record 235 by one pin, and **Crystal Whitfield's** 215 missed **Sioban Ryan's** record 219 by four pins. High triples were Oliver's 848, missing **Bill Rowe's** 852 record, and Whitfield's 765. Perfection was achieved by Oliver five times, **Travis Cauley** four times, **Jason Jones** twice and single 300's by **Mick Anderer, Aaron Bouchard, Dave Custeau, Dennis Defreitas, Gord Fickley, Len Garinger Jr., Tom Johnston, Chris King, Dan O'Brien, Ted Rittenhouse, Matt Smith, Mike Zawhorodny** and **Valerie Ciach-Link**.

And our Youth bowlers? Topping the 12-to-14 year old Juniors was **Louis Kiss** with a 190 average, 638 triple and 256 single. For the 15-to-17 year old Intermediates, **Austin Gittlieb** tallied a 192 average, **Jerren Pottruff** had a 675 triple and **Kenton Schatz** rolled a 256 single. For the 18-to-21 year old Seniors, **David Minnes** collected a 195 average, and 679 triple and **Jonathan Posavad** bowled a 257 single.

HAMILTON TENPIN TRIVIA:

- When Burlington Bowl opened 40 years ago, they had a \$5,000 prize for the first sanctioned 300 game. In 1982 **Jack Thorpe** saw a seven pin deny him the prize when he rolled a 299. Later that same month, **Bruce Wilson** had the first ten for a 289, then one year later all the pins fell for Wilson for a 300 and \$5,000.
- Also in 1982, **Al Tone**, CTF and Hamilton Hall of Famer, rolled four 300 games in a no-tap tournament at Hamilton Mountain Bowl. Tone also was the first Hamiltonian to cash on the PBA Tour when he finished 34th. with a 225 average and collected \$250.
- How did one of Hamilton's top bowlers in the 1990s lose his job as a Hamilton Tiger Cat Mascot? While driving his "golf cart" during a game, he accidentally knocked down a CFL on-field official.
- Who has the most 300s in PBA competition? That is **Walter Ray Williams & Parker Bohn** with 101 with **Pete Weber** third at 80.
- **Bill Rowe Jr.** fired a 771, (280) on Buffalo New York's "Beat The Champ" T.V. show in 1983. Later he added another 280 game which was matched by **Craig Woodhouse** in a 777 (258,280,239) triple.
- **Bob Coulter** wrote a regular bowling column in the Hamilton Spectator from August 13, 1975 to April 12, 2006.
- After the birth of his daughter Harper in June, **Dan MacLelland** has left the Pro Tour and will now be found at Frederick Lanes in Kitchener Ontario.
- Who is now to be found at the Burlington Bowl Pro Shop? That is **Bill Rowe Jr.**

65-Year-old Men's League Seeks Help to Fulfill Teams

Submitted by Robert Danylyk

Oakville, Ontario

*When corresponding with **Robert Danylyk** we came to find out the Oakville Men's Major League has dropped to nine teams. The league has been running for 65 years. We asked Robert to provide some background on the league as follows:*

Our league started in 1950 with our first president and creator Chuck Lawrence. He was president of the league for the first 27 years.

During our first season we bowled at Westside Lanes in Oakville from 1950-1951. Our league started with 12 teams and we bowled at Westside Lanes for 10 years. We then moved to Crown Bowl in Oakville where the league expanded to 24 teams and remained at Crown for 5 years. The league moved to Bowlarama in Oakville at Trafalgar Village with 20 teams and then we reduced back to 12 teams and bowled there for 25 years.

Classic Bowl opened in 1991 allowing the league to move into a new modern facility where we still bowl. After dropping to 12 teams the moved expanded the league to 18 teams for several years. Currently we are a 10 team league.

During the first couple years we never kept track of the league champions but in the 1953-1954 season we started with our first trophy and record keeping. League champions that season were *Oakville Tire & Battery*. When we started our league we had sponsors who provided the shirts for our teams and we named our teams after the sponsors.

We have only had a handful of presidents in our league and here is a list of the bowlers who have been president-

Chuck Lawrence -27 years,

Jerry Bunney-10 years

Bill Lawrence -3 years,

Bob Adcock-11 years

(myself) **Robert Danylyk** current President since 2005.

We have 4 members in our **50 year club -Dominic De Bellis-50 years, Norm Withnell-52 years, Edgar Shunk-53 years and Jerry Bunney-54 years** who is our only current active bowler in our 50 year club. We had one bowler **Bill Olsen** bowl (2) 300 games in 1 season.

Current bowlers in our league range in age from 18 to 83. I have attached our flyer with all the basic information and our website information. If you require any further information please let me know and I will do my best to get it. I would also like to thank you for all of your assistance and also writing this article on our league.

Oakville Men's Majors have bowled on Thursday evenings since 1950 and we still bowl on Thursday evenings at 8:00 pm at Classic Bowl.

FTA (Foothills Tenpin Association) - Calgary

IT IS TIME, and we are thrilled and excited in YYC

The FTA welcomes bowlers from across Canada to the Canadian Mixed Championships starting November 12 and running through to November 15. The bowling season has not started yet, and already there are 172 bowlers entered into the tournament. Entry forms, shift times, rules and hotel information are all available on CTF's website (www.gotenpinbowling.ca). We expect the shifts to fill up and sell out pretty quickly once bowlers return to the lanes in September. Please, don't be disappointed. Get the shifts you want by emailing your entry forms in to kist.dave@shaw.ca and experience what tournament bowling with the FTA is really like – record participation levels, tournament after tournament!

Recapping the last few months:

The FTA sends out a huge thankyou to your lane inspection crew.

On July 18, Century Bowl and Mountainview Bowl hosted the crew with Let's Bowl being the host on the 19th. Thanks to our proprietors for allowing us in to work with you and complete this annual task.

As a bowler, did you know the lanes were inspected, measured and reported back to CTF each and every year in order for the centre to be sanctioned by CTF? That each and every lane has 17 different measurements between the foul lines and the back boards checked and reported?

The Quest Continues for Bowling to be Included in Tokyo 2020 Olympics

WORLD BOWLING FINISH TOKYO 2020 INTERVIEWS WITH OPTIMISM

TOKYO, Saturday August 8th – World Bowling completed their final round of IF interviews with the Tokyo 2020 Additional Events Panel Organising Committee this morning. Incorporated in the campaign for inclusion, World Bowling highlight the sport's unique mix of performance and participation, its ability to reach new audiences and the sport's provision of a very strong platform for national and regional promotion within Japan. Included in the delegation were four representatives from World Bowling, two representatives from Japan Bowling Congress (JBC) including JBC President Mr Tsutomu Takebe, and two World Bowling athletes, world number one professional Bowler Jason Belmonte and Japan's own World Youth Champion Shion Izumune.

After two days of interviewing, World Bowling President Kevin Dornberger feels optimistic about the process "It would be a great honor to be included as an additional event in the Tokyo 2020 Games. We are certain that Bowling will provide a positive and unique impact on the Games and we are hopeful that Tokyo 2020 Organising Committee recognizes these benefits. Bowling is an exceptional sport that combines top level performance executed by extraordinary athletes but it also encompasses a high participation field that discriminates against almost no one. What is unique is that youth can gather to watch our top athletes in competition and then go and participate with their friends – on the same day!"

Bowling has recently been included in many multi-sport games including the 2014 Asian Games and the 2015 Pan American Games yet inclusion into the Olympic Games is no recent initiative for World Bowling with the aspiration being detailed in the Bowling World Plan strategic vision.

Also included in the World Bowling's campaign for Tokyo 2020 is the sport's connection to girls and women from the South-East Asian and Middle East regions where participation of women in sport is relatively low but where Bowling is already very popular. President Dornberger says "Bowling is one of the most practiced sports among girls and women in South-East Asia and the Gulf region making it a gateway for women's participation in sport."

President Takebe expands on Bowling's popularity in Japan and Asia by emphasizing the link that the sport has with regional areas and Japan's strong medal chances with exceptional upcoming talents. He said "Bowling is already a very popular sport in Japan and has the ability to connect the people within the extending provinces to the Tokyo Games."

IT'S THE RULE !

Here is more information that we all need to know.....

1) SPORT/CHALLENGE LEAGUES

To encourage more bowlers and leagues to take advantage of competing on challenging lane conditions and to improve certified tournament average integrity, several changes were made to CTF's Sport Bowling program for the 2015-2016 season, starting August 1, 2015. This was done in order to correspond with the reciprocal agreement that CTF has with USBC.

Leagues choosing to compete on Sport lane patterns now will have the opportunity to report as a Sport/Challenge league without submitting lane tapes or requiring bowlers to purchase membership upgrades. This reporting will be done on the CTF Sanction application. The CTF Sport membership, including the awards program, will be discontinued as bowlers no longer will need to purchase a membership upgrade to compete in Sport leagues.

More information can be found in Chapter V of the Playing Rules, as well as on our website, www.gotenpinbowling.ca.

2) REGISTRATION FEES - REGULAR SEASON

Registration applications must be submitted by the league secretary to the Local Association Manager within 30 days of receipt of such applications.

The Association Manager will forward payment of the registration fees and a copy of the league sanction application to CTF and the Provincial Association within 30 days of the receipt of the fees and registration applications from the league secretaries.

More information is available in Chapter I - Introduction - in the Playing Rules.

3) Questions regarding rules, please contact National Office at ctf@gotenpinbowling.ca.

Welcome to another great season of tenpin bowling in Canada !
