Winnipeg Tenpin Bowling Association – Promotion Continues

In order to encourage our local bowlers to report on the accomplishments of bowlers in their leagues, the Winnipeg association has initiated a promotion, with the chance of winning a \$100 Pro Shop gift certificate.

The rules are fairly simple: For every story/event that is submitted for publication (whether it be on our website, in our quarterly local newsletter, or nationally, in the CTF Connection), the person who submitted it gets an entry into the draw for the gift certificate. In August, we will hold the draw and award the winner with the gift certificate.

For all the details, go to the Main page of our website - www.bowlingmanitoba.ca - and click on the link near the bottom of the page.

First 200 Game and First 500 Series – Ever!

Congratulations to **Connor Ashdown**, who reached two new career milestones on February 26th.

The 142-average bowler, rolled his first-ever 200 game, and his first-ever 500 series (513 total) while competing in the Laverendrye II League at Laverendrye Lanes.

His 200-game also won him a “Clean Game Award”

Congratulations Connor!

The Davis's are Hot!

1. On February 3 during the Golfer's League at Chateau, **Kyle Davis** bowled a 270 game, which was 100 pins over average. He'll be getting a watch from CTF for that accomplishment!
2. Then on Sunday, March 26th, during the Eric Young Memorial tournament, **Michelle Davis**, only in her second year ever bowling, bowled all her games over 100 for the first time, going 75 pins over average, all while setting some other personal records – she bowled her second highest single game ever and her highest three-game series ever. Along with that Kyle Davis (yes they are husband and wife) bowled 125 pins over average. Together the two helped our team stay in the hunt.

Raul Bulaong – 300 Game

Congratulations to **Raul Bulaong**, a smooth left-hander, who rolled a perfect game on Friday, March 10th in the Friday Pinoy League at Bowl Below.

He looks pretty happy, doesn't he?

Well done Raul !!

Another New 200 Club Member !

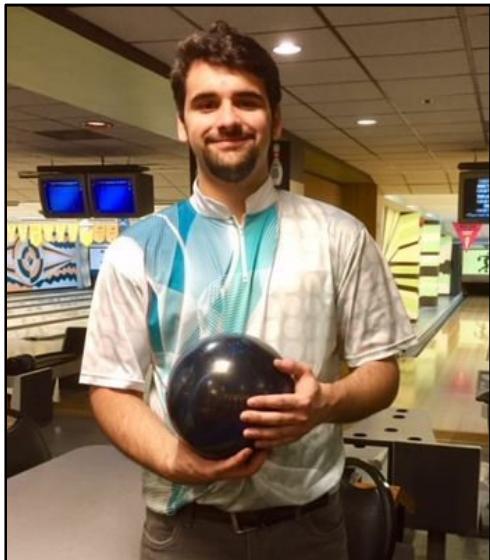

L-R – Colleen Henzel, Arnie Huska, Warren Moran, Dorothy Wojcik, Mark Wojcik

Congratulations to **Colleen Henzel**, who bowled her first-ever 200 game on Wed, March 28th. She did this in the 59er's League at Chateau Lanes. And it was during the roll-offs! Colleen's 200 game (on the button), along with the rest of the XXX-T team's great performance that night, propelled them to 1st place and they are the league's 2017-18 Roll-Off Champions!

First Career 700 Series for Groening

Tyler Groening, bowling in the 59er's League on March 28th, rolled his first-ever 700 series.

And he didn't JUST make it – he bowled 749! His games were 255, 278, and 216. Wow! He said he used his Motiv Cool ball for the entire series. This could become his favorite ball!

Not only that, it was during the league's roll-offs. His scores helped his team capture first place in the Consolation side.

Super bowling Tyler!

Another new 200-Club Member!!

Congratulations to **Walter Chaban** for bowling his first 200 game on January 19th. It was actually a 202.

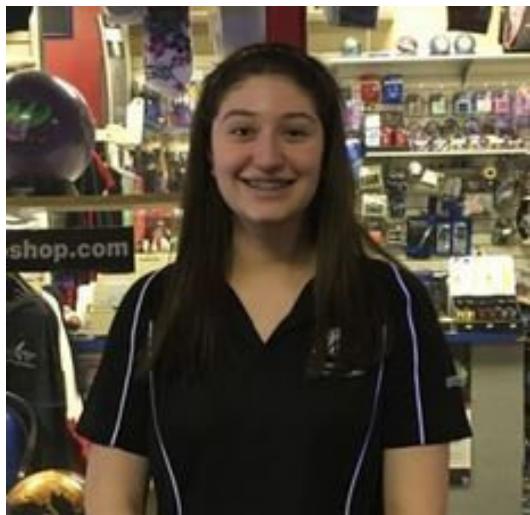

Walter can usually be found working at Bowl Below – he's always smiling, and always willing to help carry bowling balls up and down the stairs,

But sometimes, rather than just working, he's bowling in leagues.

Congratulations again Walter. And welcome to the Club!!

Kristen Jolly rolls a New Career High Game

Kristen Jolly, who has become quite a force in the Youth Program (she is a Junior), bowled her highest single game ever in her league on Monday, April 9th, at Laverendrye Lanes.

It was a 268 !!! And by the way, she also had a Clean Series for the night too! Sounds like she's getting primed for the upcoming Youth Nationals!

Congratulations Kristen!

Youth Team Challenge Champions

On Saturday, April 14th, the Manitoba Bowling Association ran a Youth Team Challenge tournament at Chateau Lanes. The Gold Medal champions are shown below.

Congratulations to all!

L-R – Brittney Rocan, Stephanie Korozsi, Kristen Jolly, Shawn Adam, Earl Sobotkiewicz (coach)

Korozsi Rolls Her First Career 600 Series!

In the MBA Youth Team Challenge tournament that was held on April 14th at Chateau Lanes, **Stéphanie Korozsi** achieved a milestone in her bowling career.

She rolled her first-ever 600 series. And helped her team win the Gold Medal in the tournament as well.

This talented bowler, who one coach affectionately called “The Spare Queen” for several years, has made several changes to her game this year, which are (obviously) paying off!

Congratulations Stéphanie!

Potter Scores Big

Israel Potter, of Brandon, Manitoba, achieved his first-ever 700 series while bowling in the 600 Series League Tournament, at Thunderbird Bowl.

This young two-hander rolled scores of 285, 248, and 220 resulting in an average of 251! In case you’re wondering, he also won the tournament!

Israel also won a Bronze Medal in the Junior Boys Singles event at the YBC Nationals in Calgary.

You’ll note that he is currently a JUNIOR in the Youth Program. It looks like everybody should be looking out for the “Potter Train” in the future.

Hamilton News
Submitted by Jim Margueratt

After **Art Oliver Jr.** was asked why he had not added to his Hamilton-leading 22 perfect games and ten 800 triples with “only” a high game of 288 this season, he replied “soon”. A few days later perfect game number 23 was followed by 286 & 212 for a 798 triple, then 266 for a 1064 set. Two weeks later after games of 235 & 265, needing a 300 for an 800 triple, he proceeded to roll the 300 for an 800 triple, followed by 213 for a 1013 set.

Mike Smith, 32, and his 210 average fired a 300 game & 673 triple one week, then the next week his father, **Ron**, 57, with a 205 average also rolled a 300 game for a 754 triple. **Steve Smith**, no relation, started with a 299, followed by 243 and 264 for an 806 triple. Then 276 for a 1082 set.

At Burlington Bowl, **Rob May** fired a 300 game and 762 triple and at Star Lanes in Brantford, **Matt Havens** also was perfect with a 300 game & 744 triple. Late news just in. Rob May has his second perfect game at Burlington Bowl for a 735 triple, and on the same day **Ron Machida** left up a ten pin for a 299. In the final days of the 2017 – 18 season, the perfect game total stands at 17.

In the long history of the V.S.L. at Skyway Lanes, there has never been an 800 triple. **Mike Ellis** who has one of the leagues three perfect games, gave 800 a go. He had the first seven in game one before missing a seven pin for a 266. Even better in game two with the first nine strikes before another missed seven pin for a 267. Looking good in game three with the first six strikes before a pair of splits for a 217 and an all-time league high 750 triple. On the same lanes, **Ed Margueratt** continued his hot 200 average season with a 650 (243) triple.

Winning the coveted C.T.F. Century award were **Demetre Tsantilas** at plus 112 for a 267 and **Wayne Jackson** at plus 104 at 239. If you have a bad first game, don’t give up as evident by Tsantilas when after a first game of 113, and a second game of 156, recorded his awarding winning 267 game. **Meagan Piche** almost did the same going from 113 to 212. Just missing was **Billy Laing** at plus 93 with 268.

Triplicates were **Carrie Steeves** 160 and **Neil Pichora** 156. **Nick Murphy** and **Aaron Bouchard** were dealt 279’s. **Corey Raymer** shot a 278,, while **John Cherriere** a pair of 269’s.

John Burke beat his average by 162 pins with a 741 triple and **Dan Gamsby** was plus 134 with a 677 triple. Jackson did the same going from 123 to 239.

John Halbert started with a 172 then a pair of 257’s for a 686. **Wanda Ward** dealt a 208 game but her triple was only 418 and **Al Toth** collected a 227 but only a 489 triple. First year bowler **Nigel Avery** with a 101 average is happy with his first ever 400 triple. After a 110 game, **Richard Ogden** blasted a 221. **Travis Fraser** was plus 84 at 233.

In our annual tournament, **Tim Robertson** topped the singles event followed by **Rob May/Sean Bailey** . Doubles winners were **Tracy Murdoch/Jamie Martin** by just a single pin. Murdoch, with her 149 average also claimed the all events title by 17 pins. The top team was composed of **Ian Colby, Ron Smith, John Stenekes** and a former Hamilton Tiger Cat quarterback, **John Manel**. High games were 279 by **Mike Scargall** and 269 by **Sean Bailey**.

At the USBC Masters in Syracuse New York, **Travis Cauley** of Hamilton tied for 33rd. with a 197 average for 24 games with high games of 267, 251 & 245, and in match play had one win and two losses.

HAMILTON TENPIN TRIVIA:

- After being closed for over nine months, Bowlerama Stoney Creek, a fixture on the local bowling scene for 60 years, has been demolished awaiting condos. Roseland Bowl in Burlington, also closed for the same period of time, is still standing, but awaiting the same fate. Eight of their five pin lanes have been moved to Burlington Bowl, reducing their ten pin lanes to 40. The only 800 at Bowlerama Stoney Creek was an 805 (278,269,258) fired by Rory Kalanquin of Michigan in a tournament in 1998.
- In October 1982 when 700 triples were not as common as they are today, **Wendy Zielonka**, former Team Canada member, rolled triples of 725 & 713 on the same night in two different leagues. Not common years ago, but our history books show **Les Slater** 736 (275,257,204) and **Harry Shaver** 732 (217,278,237) way back in 1915.
- Another former Team Canada member, **Al Tone** rolled four consecutive no-tap 300 games in 1982. In 1995 he fired an 826 triple in Singapore.
- In 1955 thieves stole two bowling balls from Steve Garba's car. Two days later they went back and stole his car.
- With the CFL season just over a month away, back in the 1990's one of our top bowlers was the Tiger Cat mascot. He lost that job when he drove his buggy on the field and knocked over an official.
- No rust from **Brian McKenzie** as after 20 years away from five-pin bowling, proceeded to roll a 450 game in 1989 and in 1955 the manager of the Olympia Alleys offered \$25 for a 450 game and then proceeded to roll 11 strikes in a row, then missed for a 441.
- "Never give up" applied to **Bill Glanville** who after four open frames and a score of 36, proceeded to roll eight strikes for a 216.

The ETBA (Edmonton Tenpin Bowling Association) has been silent all year without submitting an article... until now at least... The ETBA wanted to take a little time to congratulate a few of the special achievements, scores and tournament wins that occurred over the 2017/2018 bowling season on the CTF Connection. Congratulations to all of the bowlers bowling in Edmonton & Area; you all had a great season out on the lanes!

Last season there were seven 300s and one 800 thrown. Shot by the likes of Phillip Tran (300), Michael Dau (300), Anthony Skitt (300), James Melnyk (300), Jean Higuci (300) and Sean Scofield (2-300s & 836).

This year Edmonton & Area bowlers were able to top that number as there were twelve 300s and two 800s thrown. **Matthew Dammann, Tony Tong, Daniel Skitt, Thomas Ghebreselassie and Scott Douglas** were all able to add to their career perfect game totals. Meanwhile **Dylan Scofield, Aidan Shiels and Garrett Wong** were all able to roll their first perfect games. Very early in the season, way back in September to be exact both **Todd White** and **Anthony Skitt** shot their respective 800 series'. Both bowlers started the season off very hot!

Congratulations to all of those who shot these highly respected games and three game sets. For the full list of honor score award recipients this past season, please see the list above.

Northern Ontario Tenpin News Submitted by Brian McLean

Tyler Caruso rolled Thunder Bay's fifth sanctioned perfect tenpin game this season at Mario's, in the Northern Ontario Provincial Canada Bowl Cup Championships on April 28th. This was his first perfecto for the 182 average bowler. It was in the third game of a five game block so gave him a 750 triple, a personal best. Caruso averaged 226 for his five games.

The "Bragnalo" team of Caruso, **Callen and Brian Bragnalo** and **Tyler McCoy** won the event with a +562 pins over their average, a comfortable margin over the second place team of **Andy, Dan and Evan Kuper** and **Gord McMurry** who had a +170. The "Bragnalo" team will now represent Northern Ontario at the National Championships in July in Edmonton.

This winning team, subbing out **McCoy for Aaron Kustra**, had just won the Lakehead Association's annual team event last weekend.

Congratulations to the 10 Pin Bowl Canada Cup Provincial Champions,
Tyler Caruso, Tyler McCoy, Callen Bragnalo and Brian Bragnalo.

They are now off to Edmonton to represent Northern Ontario at the national championships

Aaron Craig won the “George Drabek Memorial” trophy with his 1978 scratch total, an impressive 219.8 average for nine games. He had sets of 663 in singles, 637 in doubles and a 678 in the team event at the 54th Annual Canadian Lakehead Tenpin Association Championships, at Mario’s Bowl, over the weekend. **Lionel Laprade**, last years’ champion, with a 707 in doubles, lost by 1 pin to Craig. Craig last won the all-events scratch title in 2014/15 season. The twenty-one year old, currently holds the city’s high average of 225 and the high series with a 805. All of the events, team, singles and doubles, except the **George Drabek** scratch event, are handicapped scoring.

Mike Precosky won the “Peter Fuchek Memorial” trophy for his first All-Events title, scoring 2251 (1882+369), averaging 209 for the nine games on sets of 620,655 and 607. **Al Nielsen**’s 2216 (1856+360) gave him second place.

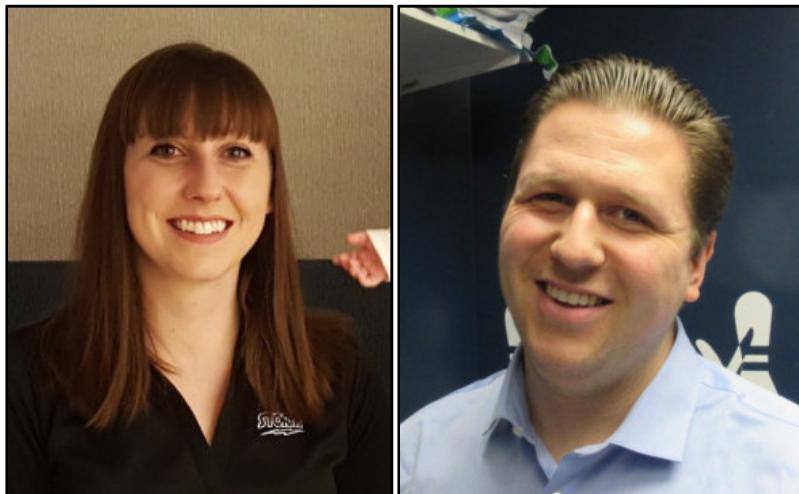

Don Sutherland (left) won the singles crown with a 773 handicap total (632+141) averaging 210 for the three games to fend off **Al Nielsen**’s 759. Last years’ champion, **Ian Nakonechny** had the high game with a 259. Sutherland placed third in the All-events.

Lionel Laprade and **Doug Kukko** won the doubles crown. They shot a 1292 total plus their 192 pins handicap for a 1494 total. They had placed second last year. Laprade had a 707 with Kukko contributing a 585. Right at their doorstep was the team of **Bob Wrigley** and **Mike Precosky** who rolled a handicapped total of 1474. **Joey Nummeling** rolled the high series and high single in the doubles event with a 255 and 710.

In the four bowler team event, the “Bragnello” team comprising of Callen and Brian Bragnello, Aaron Kustra and Tyler Caruso, came up on top with a 2979 (2172+807), to win their first title. The Laprade team, of Laprade, Gary Weiss, Kukko and Nielsen, placed second with a 2904 total.

Northern Ontario World Cup Provincial Champs

Amanda Chepesiuk and Ian Nakonechny

The second Northern Ontario Championship of the weekend was held at Mario's, with another sanctioned perfect game being rolled. **Derek Shaffer** rolled his first perfect game in game four of the eight game qualifying in the 10 Pin World Cup Provincial. Shaffer also shot a sanctioned 802 series for games 4-6, 300, 279 and 223. He now joins an elite squad of eight bowlers who have rolled over 800 triples in Thunder Bay. He has a 197 average and placed fifth in the championships.

Congratulations to our Northern Ontario 10 Pin World Cup champions, first time Provincial World Cup Champions, cousins, **Amanda Chepesiuk** and **Ian Nakonechny**. They will be heading to Edmonton for the nationals and their opportunity to advance to the world championship Qubica/AMF World Cup. Chepesiuk's 1726, an average of 215.8 included a 246 high game, for the eight games was eleven pins better than runnerup, **Lyndzie Dawson-Guay**. Chepesiuk averages 189 and has a season high series of 726 with a 279 single. This will mark her first time on the tenpin National stage. She has been to five pin Nationals several times before.

Nakonechny had to average 231.6 with a 1853 pinfall and a season high game of 282 to capture the top qualifying position over **Mike Makela**, 1831, and brother in law, **Mitch Parker's** 1821.

In the first stepladder match, Parker's 247, over Makela's 236, advanced him to final match where he would have to beat Nakonechny twice. Nakonechny rolled a 226 over Parker's 204, for the title.

Nakonechny's season high include a 784 triple and the 282 he rolled in the tournament. He averages 205. This also will be his first time on the National stage representing Northern Ontario even though he has been in various tournaments in Canada and the USA. In 2009, when Mario's hosted the CTF's CMC, Nakonechny won the Handicap and scratch singles event.

Senior 10pinners Singles Champions Crowned

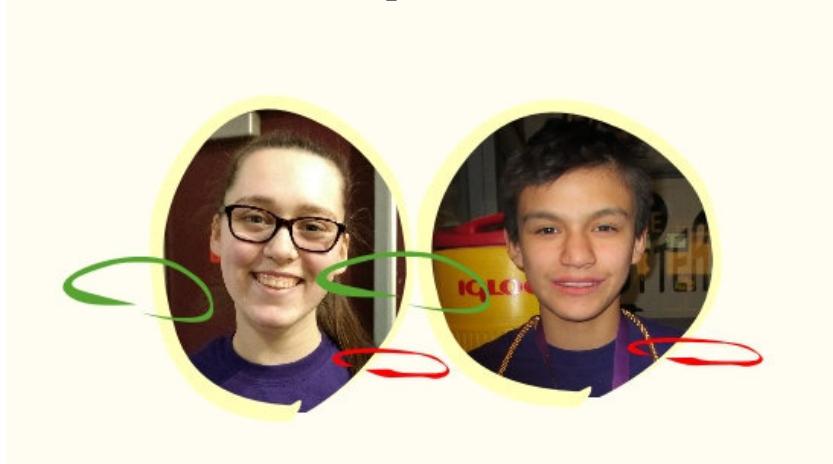

Vince Bortolussi won his first tenpin singles championship when he bowled one game as the second seed finalist, 246 to 225, defeating the tournament leader and the 2016 Champion, **Jim Taylor**. The Grand Portage 50+ Tenpin Senior Mens and Ladies Singles 33rd Annual finals were held at Mario's Bowl on Saturday. Matthew Thompson was the winner in the men's division of the LCTA Scholarship Handicap Tournament. The tournament was held over a two week period (Jan.8-21) with bowlers competing against each other in different leagues. Each bowler paid a nominal fee and used their scores for that night. Half of the entry fee went into the Youth Scholarship Fund and the other half was paid out to the winning bowlers. There were 177 men's entries. The top nine paid positions in the men's division with their total score with handicap, scratch games over 240 and scratch triple in brackets were **Matthew Thompson** 903 – 263 -252 (738), **Calvin Nesbitt** 877 – 258 (658), **Scott Salmons** 866 – 245-279 (734), **Dave Little** 857 (623), **Ben Lapointe** 822 – 249 (687), **Steve Peters** – 819 (669), **Joe Serratore** 816 (645), **Paul Mezzatesta** 813 (684) and **Jerry Worsley** 812 - 255 (632).

They were his personal best highest scores. Bob, who is 64, bowled 5 pin for about twenty years then put bowling on the shelf for the next twenty years. He was encouraged by a good friend Butch Goodacre to join a bowling league after his retirement. He is in his 4th year of 10 pin bowling carrying a 158 average.

Paige Skinner wheeled 274 (120 – 73 pins over average - 133 pins over average for three games) in the Marcin SMAA Bantams Division. It was her personal highest series and her highest single game. She is now carrying a 49 average after 75 games. This is Paige's first year in 10 pin bowling after previously bowling two years of 5 pin. Her dad Kyle is an avid bowler and would take the family out to the lanes for some open bowling. Paige loved the 10 pin bowling and decided that was the route she wanted to travel. To keep herself busy besides school, she loves dabbling in the arts and crafts.

Jeff Raymond fired a perfect game (101 pins over average) in the Bluewater Monday Night Men's League at Marcin Bowl. He accomplished the feat in his last game of the night on lanes 35 & 36. Cameron's highest sanctioned scores are 621 and 236. While practicing three weeks ago he fired a 267. Besides keeping himself busy with school, he likes to practice bowling, ride his bike and is learning to play the guitar.

At age 8 Nic was a normal size but when he got into his “Teens” he started growing and now is 6 feet 6 inches and heading for a potential basketball future. He also keeps himself busy (subsidizing his income) by cleaning up people's back yards covered in pet “doey”.

USBC Bowling Technology Research – Equipment Specification Changes

ARLINGTON, Texas – Following three years of research on how technology has affected the sport of bowling, the United States Bowling Congress Equipment and Specifications Committee has established new specifications designed to sustain the playing field both currently and in the future.

The new specifications, which will be implemented over the course of the next two seasons, were announced at the USBC Convention in Reno, Nevada.

“Technology impacts every sport, but it is our role as the National Governing Body to ensure the skill of the competitors on the lanes remains the deciding factor,” said Andrew Cain, chair of the USBC Equipment and Specifications Committee. “The research presented revealed the impact technology has made on the sport’s playing environment and the committee determined there was a need to enact these specifications.”

A new specification has been established for the oil absorption rate of bowling ball coverstocks, the first time such a specification has been set, and a specification to eliminate balance holes while increasing static weight allowances also has been approved.

In addition, new rules will be put into place to allow only a dry towel to be used to clean bowling balls during competition and to keep bowlers from changing the static weight (i.e. drilling grip holes deeper) of bowling balls during competition.

“The diligent work of the USBC Equipment Specifications and Certifications team spurred discussions in several areas and the committee made decisions that are needed to protect our sport’s future,” USBC President Frank Wilkinson said. “Technology will continue to push the boundaries and we will continue to analyze every aspect to make certain we are doing what’s in the best interests of bowling and our members.”

The new oil absorption specification for bowling ball coverstocks will require that for a new ball to be approved, submitted ball samples cannot have a rate of oil absorption under 2 minutes and 15 seconds (2:15), and must adhere to the 0.6% non-conformance rate.

The initial step on the oil absorption specification will begin Aug. 1, 2018, when bowling ball manufacturers are required to submit oil absorption data as part of the USBC bowling ball approval process. Manufacturers have been provided a standard operating procedure (SOP) to determine oil absorption rates.

The specification requiring a bowling ball’s oil absorption rate to be more than 2:15 for the ball to be approved will take effect Aug. 1, 2020. Also, any ball models tested where the average oil absorption rate is under nine minutes and 30 seconds (9:30) will require additional balls to be tested.

The specification eliminating the use of balance holes will go into effect Aug. 1, 2020. Balance holes, also known as weight holes, are meant to correct static imbalance in bowling balls, but more recently have been used to change the design intent of balls. By allowing bowling balls (for balls weighing more than 10 pounds) to have up to three ounces of static side, thumb and finger weight – which is up from one ounce – and up to three ounces of top weight, there no longer will be the need for a balance hole to correct static imbalance in the typical ball layout.

The specification increases in static weights take effect Jan. 1, 2020, which will allow bowlers the opportunity to plug balance holes prior to the elimination of balance holes starting Aug. 1, 2020.

With the elimination of balance holes, bowlers may have up to five holes for gripping purposes and all gripping holes must be used on every delivery.

The change allowing only a dry towel to clean bowling balls during competition becomes effective Aug. 1, 2019. It eliminates the use of liquid cleaners of any kind during competition, which aligns with other changes to ensure equipment is not manipulated during competition. The change prohibiting a bowler from adjusting static weight during a competition by drilling grip holes deeper goes into effect Aug. 1, 2020.

It is important for bowlers to understand the specification for oil absorption will not eliminate any bowling balls from competition, as all current balls will be grandfathered in. Bowlers also should be aware that because the increase in static weights starts Jan. 1, 2020, they will have seven months to have any balance hole plugged so they will be in compliance when the specification eliminating balance holes starts Aug. 1, 2020.

The Equipment and Specifications Committee has delegated authority from the USBC Board to make changes to equipment specifications. The USBC Board fully supports the direction and action taken by the Equipment Specifications Committee.

Visit BOWL.com/EquipAndSpecs for USBC's research and more about the specification changes.

Submitted by Charlotte Konkle, Regulatory Unit Chair

Well here it is almost the end of another season of bowling – leagues are winding down and holding their banquets and payout meetings and the local associations are holding their annual meetings. These meetings are for your benefit and you have as much responsibility to attend them as the local association has to hold them. Check with your league secretary or with your local association as to when they are being held.

Take a moment to read your association bylaws – they could be posted on your association's website or are available from your association manager.

The local association is your association and it should be supported all through the year!

CTF Director Nominations Wanted!
Submitted by Charlotte Konkle, CTF Director

CTF will be holding its Annual Meeting on November 17, 2018 in Winnipeg, MB. At that meeting, there will be an election to fill three Director positions that will be open on Jan. 1, 2019 for a 3-year term.

If you, or someone you know, are interested in making a difference and becoming a Director, please fill out the Director Nomination form. All provincial and local associations will be sent a reminder letter about this and we want all of our registered participants to be aware of this opportunity.

The application form is available for viewing and downloading on the CTF website (tenpincanada.org). The form is in English and French in the miscellaneous section and is called "CTF Director Application". Please forward it to the Nominating Chairperson at ckonkle@tenpincanada.com.
