

# London and District Tenpin Bowling Association

London, Ontario, Canada

[ldtenba@gmail.com](mailto:ldtenba@gmail.com)

We are happy to announce the restructuring of our association.

Many changes are on the horizon. First and foremost, our goal is to grow.

This is where you come in... There are many different things you can do to help our association and keep people (especially our youth) interested in the sport.

1. Join a CTF certified league. There are many different options for every age group. We have youth leagues, adult leagues (on many different nights), seniors leagues, and fun leagues. Contact your local bowling centre or association executives to find out more information.
2. With your CTF membership (ages 18+) you have the opportunity to become a board member. What is involved with being a board member?
  - You are able to attend monthly board meetings and have a say in the direction we take our association. (Can't commit to monthly meetings? If you do not miss three (3) consecutive meetings, you can remain on the board. We realize life happens and people have families and other obligations)
  - How do you become a board member? Attending our general meeting in September and speaking with our Nomination Co-ordinator, they will discuss with you in greater detail the roles that you would play within the association. We are looking to create a positive, healthy environment for our leagues. If that is something you can bring to the table, then we want you as part of our team.
  - Once a board member you have a voice in electing our Executive committee. There are many roles we are looking to fill. President, Vice President, as well as Committee Roles such as Tournament Director, Scholarship Director, and many more.
3. Once you are a board member, if you feel you have more to offer you can join one or more of our committees and help with planning upcoming events such as tournaments, awards banquets etc. There are many opportunities to grow within the association.

We know that there are many bowlers out there that have many years of experience and we would love to hear from you. We want to hear your suggestions and constructive feedback. As mentioned earlier we are holding a general meeting September 28<sup>th</sup> and we would love for you to join us. Find out more information about our association and what our hopes are moving forward. If you are 18 years or older and hold a CTF membership you are able to vote. Or if you are just wanting information, you are more than welcome to join us.

September 28<sup>th</sup>, 7pm  
Spare room (Fleetway)

Hope to see you there.

Nicole Cherry  
Nominations Director
