## ANNUAL SCHOLARSHIP

To all Parents; Program Directors; Coaches; CTF Sanctioned Bowlers in the London and District Youth Program.

The Board of Directors of the London and District Ten Pin Bowling Association has established an annual scholarship fund for the awarding of one or more scholarships per year to sanctioned CTF youth bowlers in the London District.

We thank, in advance, all the program directors and coaches for their assistance in completing the forms this year.

The program directors and league coaches in each house receive copies of the forms that are to be used. The forms are available to any sanctioned bowler or parent at any time from the London & District website ([ldtba.ca](http://ldtba.ca)) under forms.

If you are aware of any sanctioned youth bowler in the London area that you believe should be nominated for this scholarship please approach the program director of that bowling centre, or if you wish a scholarship committee member listed at the bottom of this page. We will see to it that the forms are provided to that bowler and that the bowler knows what must be done with them.

The criteria for the awarding of this scholarship are not based on bowling prowess or scholastic ability. The exact criteria are laid out in the forms that are provided. There is a section to be completed by the youth bowler and the bowler' coach or program director.

A very strict time frame must be adhered to. The completed paperwork must be in the hands of the Executive Director of the CTF Local Association by midnight on or before March 31st. Any applications that are not received by this time by the Executive Director will not be considered under any circumstances. There will not be any extensions of time granted.

If you are aware of anyone that would be willing to donate to this scholarship fund, please feel free to contact one of the scholarship committee members.

We strongly encourage all sanctioned youth bowlers in the London and District to apply for this scholarship. While a bowler may only be awarded the scholarship once, that bowler may apply for the scholarship if they remain in the youth program.

The members of the London and District Ten Pin Bowling Association congratulate all past winners of this scholarship and look forward to the awarding of future scholarships.
